## Sarah Everard murder trial date for cop

A POLICE officer will go on trial in October for the kidnap and murder of Sarah Everard.

Pc Wayne Couzens, 48, is accused of snatching the 33-year-old marketing executive as she walked home from a friend's flat in Clapham, south London, on the evening of March 3.

On Tuesday, the Metropolitan Police officer (above) made his first appearance at the Old Bailey by video link from Belmarsh top security jail in south London.

He appeared to have a wound on his forehead.

Couzens, from Deal in Kent, spoke only to confirm his name and date of birth. He was remanded into custody.

Ms Everard's body was found hidden in woodland in Ashford, Kent, on March 10.

She was discovered inside a large builder's bag.

## Action plan to keep women safe

"IMMEDIATE steps" aimed at improving safety for women and girls in England have been announced by Downing Street after Sarah Everard's death.

Among them is an additional £25million for better lighting and CCTV, as well as a pilot scheme which would see plain-clothes officers in pubs and clubs.

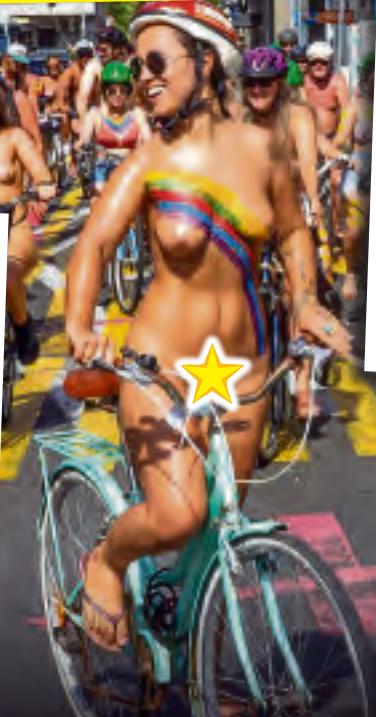

Labour said the funding would replace only a fraction of cuts the government has made previously.

It comes after hundreds of people protested in central London on Monday.

# NOW, THAT'S HOW TO SAVE THE PLANET!

## Naked babes strip for nude bike ride

HUNDREDS of cyclists have bared all for the World Naked Bike Ride – with the aim of promoting body positivity, cyclist safety and taking care of the environment.

Pedestrians got an eyeful as men and women stripped for Sunday's 12th annual ride around the coastal tourist town of Byron Bay in New South Wales, Australia.

Hundreds gathered in little more than a helmet, while most covered their bodies in colourful paint to cycle through Byron Bay's main street.

Dozens of onlookers were seen photographing the nude cyclists.

The event is performed in more than 70 cities, including London and Melbourne.

"You don't have to be naked if you feel uncomfortable, after all the ride is 'as bare as you dare'. The idea is to use nudity to help us be seen by drivers – and for them to take notice that we are sharing the road," organisers wrote on the event page.

One onlooker said: "This makes me care more about the planet than that funny little Eskimo girl."

## Duke exits hospital after heart surgery

THE Duke of Edinburgh has left hospital in central London after a month under the care of medical staff.

Prince Philip, 99, was admitted to King Edward VII's hospital in Marylebone on February 16 after feeling unwell.

He later had a successful procedure for a pre-existing heart condition at another London hospital – St Bartholomew's.

The 28-night stay was the duke's longest ever in the hospital.

Prince Philip and the Queen, 94, have spent the current lockdown at Windsor Castle with a small number of household staff, nicknamed HMS Bubble.

The couple, who have been married for 73 years, received their first COVID-19 jabs in January.

The duke was visited at King Edward VII's on 20 February by his son Prince Charles.

## Greggs posts first loss in 36 years

**SAUSAGE** roll purveyor Greggs has sunk to its first loss in 36 years as the pandemic hit the high street stalwart.

Bosses at the chain announced a pre-tax loss of £13.7million in 2020, compared with a £108.3m profit a year earlier – with sales dropping from £1.17billion to £811.3m as stores were closed for long periods of the year.

But the company said it remains positive for the future and will open 100 new stores this year.

Delivery services and a partnership with Just Eat helped offset some of the falls, with 9.6% of total sales in the first 10 weeks of 2021 now coming via deliveries.

## BoJo plans UK return to superpower status

MORE than 50 years after Harold Wilson announced the end of the British Empire, Boris Johnson yesterday laid out his plans to make the UK a superpower once more.

Indo-Pacific countries such as India, Japan and Australia.

It's the first time Britain had engaged with the region since 1968 when then PM Wilson withdrew British forces from "East of Suez", widely seen as a move which cost Britain its genuine world power status.

The review will also pave the way for the UK to increase stocks of nuclear warheads.

Mr Johnson unveiled the results of the Integrated Review of security, development, defence and foreign policy, which the government says will address "the challenges and opportunities the UK faces in a more competitive world".

It will include a White House-style situation

room built in the Cabinet Office and a new counter-terrorism operations centre to speed up the response to terrorist incidents.

Detailing parts of the 100-page Global Britain in a Competitive Age document, the prime minister said he is "profoundly optimistic" about the UK's place in the world and its "ability to seize the opportunities ahead".

How that DM is a pert posterior...and I have a special seat for it anytime:-)

#### LITTLE Lottie Moss Is top of the BOTS.

The half-sister of supermodel Kate thrilled fans all over again last week when she posted a snap of her gorgeous arse on Instagram. Lottie, 23, displayed her peachy posterior as she dangled her feet in the rose petal-scattered water at her LA home.

The blonde scorcher, who has raised eyebrows after signing up to adult platform Glow, sultrily captioned her photos: "Bath time?" followed by a bathtub emoji.

#### Tour

But she appeared keen to dispel any suggestion that her modelling career has hit rock bottom by giving online fans a guided tour of the home she shares with close friend Sahara Ray.

Captioning the short video, she wrote: "If this is rock bottom, I'm good with it!"

However, when the photos were shared on the *Daily Mail* website, they attracted perverts like shit attracts flies.

And several suggested they want Lottie to lower her naked little bot onto their upturned faces.

#### Musky

A pal of the star said: "Lottie is not going to lower her bottom onto the face of any Tom, Dick or Harry, thus placing the musky slot of her vagina in range of their darting, probing tongues."

"Honestly, some of these people are just plain potty!"

One evildoer posted: "That is a pert posterior and I have a special seat for it anytime."

Meanwhile yet another perv drooled: "I wish my face was the edge of that bath."

**ABDUCTION FAKER: Matthews**

THE owner of a burger company says he will not apologise for using a picture of disgraced mum Karen Matthews to promote Mother's Day – as he believes he has "done nothing wrong".

Early on Sunday, a picture of Matthews – who faked the abduction of her own daughter, Shannon, in 2008 – was uploaded to The Otley Burger Company's Facebook and Instagram accounts.

The picture was captioned: "Happy Mother's Day to all the mums out there. Don't forget to treat them to a burger tonight."

The Facebook post, which has since been deleted by the owner of the company – Joe Scholey – provoked a mixed response, with

some users slamming its "distasteful" nature.

One comment read: "Eh? This is in very bad taste. A bit too far for this time."

Another user said: "This is really quite distasteful and tbh doesn't really do anything to promote your business to decent

people. Please don't bother with the 'lighten up, it's a joke'."

Mr Scholey, 28, said he won't be deleting the post on Instagram.

He said: "I don't really understand what their issue is."

"If they don't like it, don't comment. It was just a bit of a joke."

Lawn w\*nker put cucumber up his arse!

A PERVERT bummed himself up the arse with a PICKLED CUCUMBER on a startled homeowner's front lawn!

Responding to a suspicious person call, a cop saw Eric Detiege lying on his back in front of a townhouse in Oldsmar, a city in the Tampa Bay area of Florida.

The 47-year-old, who was wearing no pants or underwear, had his penis in one hand and "a large uneaten pickle in his other hand," according to the officer.

Detiege was "using the pickle to penetrate his rectum while he was furiously masturbating".

Detiege was arrested on a charge of exposure of sexual organs.

Detiege (above), of the Flying Cloud Mobile Home Park in Tampa, has prior convictions for theft, disorderly conduct, resisting police and criminal mischief.

There is no indication in court records that the pickled cucumber was seized as evidence.

Fancy dating a Welshman with a tiny todger?

A DATING website for men with tiny willies has launched a WELSH language version.

Dinky One, the small penis dating site, was launched on the cusp of the pandemic last March and has since attracted 118,911 "members" across the world.

Now online dating entrepreneur David Minns, from Chester, has unveiled what he believes is the first Welsh language dating site.

It is aimed specifically at men (and women) who possess, or who are attracted to, those who are less well endowed.

He decided to create a Welsh language version of Dinky One because so many of his clients logged on from Wales.

"In the UK, Dinky One is particularly popular in Wales, especially Swansea and Cardiff," Mr Minns said.

CARDI B

THIS week's Grammys were an objectifying moral disgrace, according to an anti-sexploitation group.

The National Centre on Sexual Exploitation released a statement slamming the 2021 Grammys for including Cardi B and Megan Thee Stallion's X-rated pole dance routine on stage.

The anti-porn group said: "The CBS Grammys broadcast contributed to the sexual exploitation of women. The performance by Cardi B and Megan Thee Stallion showed the two women and backup performers wearing thongs and lingerie, dancing on a stripper's pole while crawling around and twerking on a bed together."

"In a performance that could have been cut from a hardcore pornography film, CBS allowed a glamorization of stripping and prostitution to be broadcast in front of a national audience – a portion of which were children – for no other reason than for TV ratings."

JOSIE MILKS A HORSE

INTREPID: Josie milks mare on show (above) before downing a glass of it

HOSTS: Holly and Brave Phil

**THIS Morning hosts Holly Willoughby and Phillip Schofield looked on aghast as former Big Brother winner Josie Gibson milked a HORSE live on telly!**

Josie, 36, was following up a story from the weekend's posh newspapers that revealed toffs were snapping up 250ml bottles of "mare's milk" for £6.50 a pop.

And the blonde – crowned Big Brother champ in 2010 and who is now a roving reporter for the ITV show – was tentatively up for the £13-a-pint task.

### Performed

She was initially surprised that the act of milking could be performed on a horse, which happens at Frank Shellard's farm near Bath.

She told viewers: "Now I'm from a horsey background and mum actually trains horses and never in my life have I heard of mare's milk."

Josie then stroked the horse, saying: "Come on baby," and then her hand disappeared below to place the tubes.

Once the device was secured, horse milking

expert Frank explained: "There you are, you're milking a horse."

Frank said he's been drinking a litre of mare's milk every day and it has helped cure his daughter's eczema.

After he explained the milky was similar to that of human breast milk, Josie admitted when she was pregnant with son Reggie she gave her own milk to "everyone who would have it".

She added: "I was giving it to the dogs and the baby."

While some found the report hilarious, others fumed online: "Why are human beings now milking horses? There isn't any reason at all to ever do this!"

# NUTTER HAD GRANDPA'S EARS IN HIS POCKET

**MURDER CHARGE:**  
Parker had been smoking marijuana

**A MAN** pulled a pair of severed human ears out of his trouser pockets while being questioned over his grandfather's murder.

Kolby Parker, 30, was accused of fatally stabbing his 77-year-old grandfather Ronald Wells.

Parker initially told investigators that he acted in self-defence, saying the older man attacked him with a knife during a fight they had while smoking marijuana.

He claimed he was forced to turn the

knife on Wells, whose body was found with multiple stab wounds on the front porch of the home in Lake County, Florida.

But while he was being interviewed, Parker allegedly took his grandad's ears out of his pants – and then lunged at a cop, while trying to grab his gun and taser.

Police said Parker eventually confessed that he wanted his grandad to be with his deceased grandmother and "it was his time to go," according to an arrest affidavit.

He hit Wells multiple times in the head with a baseball bat before repeatedly stabbing him with a butcher knife and cutting off his ears, cops say.

## Kicked

Parker also allegedly punched, kicked or head-butted three cops as they attempted to arrest him.

In another gruesome detail, investigators said they found an apron in Parker's bedroom that had the phrase "The Family Butcher" printed on it and plastic, bloody human ears attached to it.

Parker is charged with second-degree murder, battery on a law enforcement officer and resisting with violence.

The 50-year-old said: "I was quite literally the Naked Chef. I got out of the shower and realised I was running late to get everything on the table, so I didn't bother to get dressed.

"I just raced downstairs, got the potatoes on, the meat in the oven and my veggie option.

"It definitely made it more interesting."

Amanda added: "Obviously now Lexi's a bit older, she does a bit of eye-rolling every now and again."

Cancer cases backlog will up death rate

THE UK's cancer death rate could rise for the first time in decades if urgent action to address problems stemming from the pandemic isn't taken, cancer charities have warned.

One Cancer Voice said more money and staff are desperately needed to reduce a growing backlog of cancer cases.

It's also asked for the NHS to be given access to private facilities.

Michelle Mitchell, the head of Cancer Research UK, said: "We are calling on the Government to invest more money in ensuring the backlog of cancer cases is reduced and eliminated.

"We could face the prospect of cancer survival reducing for the first time in decades. That's why urgent action is required by the Government."

Recent figures from NHS England show 171,231 urgent cancer referrals were made by GPs in January – an 11% drop on the 191,852 in the same month the year before.

HUNK IN

A DRUNK:  
Morgan

HERE'S some good news for Piers Morgan... 39 per cent of women want to shag him.

But only when they've had a skinful! Half of women and two-thirds of men have had beer goggles sex\*, according to a new survey.

It found that three-quarters of women (72%) and even more men (84%) had admitted that booze had made someone they had not previously fancied seem more attractive.

Two-thirds of women (68%) and 87% of men said they were more likely to sleep with someone on a date if they had been drinking alcohol.

Lots of us have been wearing beer goggles during the pandemic, with a quarter of single women (24%) and 27% of single men saying they had broken COVID rules while dating over the last year while under the influence of alcohol.

The results are from a survey of 2,000 people by IllicitEncounters.com, the UK's leading affairs site.

It looked at celebrities who are the most popular 'beer goggle' pin-ups in the UK.

The most popular male beer goggle pin-up with women was former *GMB* loudmouth Piers Morgan with 39% of the vote, followed by Jeremy Clarkson (26%), David Walliams (17%), Simon Cowell (12%) and Boris Johnson (6%).

The most popular

female beer goggle pin-up for men was Gemma Collins with 28% of the vote, followed by Coleen Nolan (26%), Kirsty Allsopp (23%), Lorraine Kelly (15%) and Alison Hammond (8%).

The survey found that 52% of women and 64% of men have slept with someone on a date when they were drunk, even though they did not fancy their partner.

A third of women (32%) and a quarter of men (24%) regretted having beer goggle sex the next morning.

Despite the findings, 67% of women and 84% of women like to drink alcohol on a first date.

The main reason both sexes hit the booze is that it 'helps to break the ice' – chosen by 71% of women and 86% of men.

Most men (79%) and the majority of women (65%) said they felt more confident after a drink.

LOUISE Redknapp's sons have begged her to 'put some more clothes on' in her saucy music videos.

The glamorous singer, 46, made a sizzling comeback with her music in 2019 and has proved she's still got it as she flaunted her athletic figure (*below*) in skimpy outfits.

But her eldest boy Charley, 16, and his brother Beau, 12, were left red-faced after telling mum their school pals play the videos repeatedly.

Appearing on *Sunday Brunch*, Louise told Simon Rimmer and Tim Lovejoy her sons said to her: "Why? Put some trousers on."

She added: "It was in jest, you know, you can't really see anything in the video, it's just slightly more provocative than maybe they see at home in my trackies."

"They just said that a few of their friends on the school computer kept playing it."

## ACTRESS STRIPS NAKED IN NUDE PROTEST AT FRENCH 'OSCARS'

# FANNY WAY TO MAKE YOUR POINT

**THE French may be the most detestable race to walk the surface of God's clean, lovely earth...**

But they know how to make a point.

Corinne Masiero, 57, wore a donkey costume over a blood-stained dress before stripping naked on stage at the César Awards – France's equivalent of the Oscars.

Cinemas have been shut in France for more than three months.

Masiero was invited to the socially-distanced ceremony

By SUZIE SHELDON  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

to present the award for the best costumes.

But she shocked those present in the concert hall by stripping naked on stage to reveal the message "No culture, no future" written referring to a high street clothes chain.

Last December, hundreds of actors, theatre directors, musicians, film technicians and critics protested in Paris and other cities against the government's shutdown of culture venues.

which can be translated as: "Give us back art, Jean".

Other actors and directors made similar demands.

"My children can go to Zara but not the cinema... it's incomprehensible," said Stephane Demoustier as he accepted a screenplay award, referring to a high street clothes chain.

Last December, hundreds of actors, theatre directors, musicians, film technicians and critics protested in Paris and other cities against the government's shutdown of culture venues.

## LIBRARY TOSSEER HAS JAIL TERM CUT

A MAN jailed for furiously masturbating in a public library has had his sentence reduced.

Michael Williams, 35, was jailed for two years and 10 months in March last year on two charges of committing an indecent act, one of wilful trespass and three charges of perverting the course of justice.

Seminal fluid was found on a cushion after the library incident and DNA testing later

determined it belonged to Williams.

At sentencing, Judge Farnan told the court she did not accept Williams' explanation that he and his partner had sex before he went to the Invercargill Public Library, New Zealand, and that this explained the seminal fluid on the cushion.

Williams also went into the library some time after the incident, despite being banned,

resulting in the trespass charge.

Williams appealed the sentence on the basis it was manifestly excessive and that the starting point was too high.

The Court of Appeal found the sentenced imposed was manifestly excessive.

The sentence of two years and 10 months in prison was quashed and a sentence of one year and nine months' jail was imposed in its place.

**Sex symbol?**  
Missus just laughs at me

*LINE OF Duty* star Adrian Dunbar has revealed his wife laughs at his growing status as a sex symbol.

The actor (above), who returns as Superintendent Ted Hastings in season six of the hit show on Sunday, said he was "blindsided" by the attention he has received from women over the role.

Asked about his growing status as a pin-up, he replied: "Everyone likes a man in a uniform, don't they?"

"I was blindsided by that. I thought there would be lot of things that would come off the back of this part, but definitely not being a sex symbol."

"There he is in his uniform, he has all this moral authority and I think that sometimes women like a challenge."

The actor admitted that his wife Anna Nygh was "sanguine" about the attention.

"She realises it comes with the territory. She thinks it's humorous. She gets a laugh out of it," he said.

**Man soaked in corn oil pulled pud in public**

COPS were stunned to find a naked man in an alley, completely soaked in Mazola corn oil and furiously masturbating.

Kenneth Maness, 48, was spotted by a routine patrol in Sarnia, Canada.

After being arrested and charged, Maness pleaded guilty to wilfully committing an indecent act in a public place in the presence of a police officer.

Maness said he was "treating a few friends" to some drinks earlier that day and was pretty sure one of them slipped him a "stupid substance" to make him overdose.

Defence lawyer Robert McFadden said his client had "very little recollection" of the incident due to narcotics.

Maness was given a suspended sentence and told by the judge: "Stay away from the corn oil, Mr Maness."

## LÁ Fhéile Pádraig sona duit!

And that, according to Google, is Happy St Patrick's Day in Irish.

Yes, today is the day that the Irish people, along with anyone else who likes a drop of Guinness, celebrates the Emerald Isle's patron saint.

The celebrations will be a bit lower key this year, thanks to the pandemic, but there will almost certainly be a bit of drinking.

And what better way to celebrate – in a COVID-secure way, of course – than to reflect on all the lovely ladies who have come out of Ireland.

Maybe we'll leave out Mrs Brown though, eh?

So raise a glass to five pages of Irish babes topless!..

# 'He PLUCKED out my EYES and CHEWED up my FACE'

**DESPITE the horrific extent of his unimaginable injuries, Ronaldo Poppo calmly told detectives about the sudden savage assault that had cost him parts of his face.**

He said a man in a green shirt had got out of a car he had hitchhiked in to Miami, complaining about not being able to score drugs on the beach.

By KOURTNEY KENNEDY

[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

The man seemed friendly enough at first, Poppo said.

The stranger went from being in a "glad mood" to singing the 1960s tune *A Lover's Concerto* and saying "you are going to be my wife".

Then, after a minute or two, Poppo said,

the man flipped and he "started to rip me apart".

Poppo explained: "He attacked me. He just ripped me to ribbons. He chewed up my face."

"He plucked out my eyes. Basically, that's all there is to say about it."

In a recorded interview with Miami police, Poppo can be heard describing the assault by a crazed assailant who "must have had a bad day at the beach".

It was the attack that catapulted Poppo out of his anonymous life in the city's shadows and onto the front pages of newspapers around the world.

In truth, Poppo, a homeless alcoholic who lived in the Jungle Island parking garage, will forever be best known for having been the victim of a cannibal.

Nearly nine years on, gruesome photos of his damaged face still frequently circulate on the Internet.

## Partying

Poppo told Sgt Altarr Williams and Det Frankie Sanchez that he was standing near South Bayshore Drive and 13th Street, just beside the Miami Herald newspaper building, when he heard a car door slam and then saw a man appear.

The man was bigger than Poppo and carried nothing in his hands.

It was May 26, a Saturday, at about 2pm. Masses of revellers were partying in Miami Beach for Urban Beach Week.

Poppo was on the MacArthur Causeway, minding his own business, when he was approached by Rudy Eugene, a 31-year-old who washed cars and liked to smoke

**I**T was a case featuring savagery so inexplicable that it stunned the entire world.

In May 2012, a homeless man became the victim of such bloodthirsty violence he was left blind in both eyes and with most of his face chewed off.

The victim was drifter Ronald Poppo, 65.

His assailant was street drug user Rudy Eugene, 31.

On May 26, 2012, the pair had a chance encounter near to the beach in Miami, and they were initially friendly.

Then something flipped in Eugene's head and he launched the most terrifying attack upon the far older Poppo.

It was 2pm and eyewitnesses looked on in horror.

Police shot Eugene dead at the scene before he completed his attack.

And Poppo has survived, albeit now in residential care for the rest of his life.

But nine years on, many questions remain.

An initial theory that Eugene was high on "bath salts" – a synthetic form of LSD – was later discounted when blood tests found he'd only been smoking synthetic dope, like Spice.

So what was the real story? Was Eugene a cannibal?

marijuana and quote the Bible.

"For a while he was acting nice. Then he got flustered," Poppo said.

"He had probably remembered something that happened on the beach and was not happy about it."

Poppo recalled Eugene saying something about wanting "to score" and not being able to.

Eugene, he said, started "talking funny".

Then he started to scream. He seemed preoccupied with death.

"For a very short amount of time I thought he was a good guy," Poppo said.

"But he just went and turned berserk."

Poppo remembered Eugene telling him that they would both die.

"You and me buddy and nobody else," he quoted Eugene saying.

"He must have been souped up on

something," he added.

Poppo went on to calmly describe how Eugene chewed his face and gouged his eyes out using only "brute force".

"He mashed my face into the sidewalk," he said.

"My face is all bent and bashed up. My eyes, my eyes got plucked out."

"He was strangling me in wrestling holds, at the same time he was picking my eyes out."

The attack ended with five blasts from Miami Officer Jose Ramirez's gun.

Sgt Williams, who was investigating the shooting, asked Poppo if he had provoked Eugene.

"What could provoke an attack of that type?" Poppo responded.

"I didn't curse at the guy, or say anything mean or nasty."

# CAN YOU SEW IT BACK ON?

## Loon girl who chopped off her mum's head is caged

A WOMAN who decapitated her mother and then asked cops if they could "sew it back on" has been jailed for at least 16 years.

Jessica Camilleri, 27, was found guilty of manslaughter by a jury after two forensic psychiatrists told the trial she was suffering from substantial impairment of the mind when she lost control and "saw red".

Rita Camilleri was alive long enough to sustain more than 90 defensive wounds during the brutal onslaught by her daughter.

Camilleri used seven kitchen knives in the attack – four of which broke due to force – before taking her mother's head outside their home in Sydney, Australia, and placing it on a footpath.

### Horror

Sentencing Camilleri in the NSW Supreme Court, Justice Helen Wilson described the attack among the most serious instances of manslaughter.

The crime was made worse by the fact it was committed in Ms Camilleri's own home by her own beloved child, she said.

The horror film fan knew what she had done was criminal and wrong, as she lied to police immediately after saying she acted in self-defence, Justice Wilson said.

Camilleri asked police if doctors could work

"miracles" and "sew her head back on".

"No, that's a bit of a stretch," an officer told the blood-spattered Camilleri.

The judge accepted she was substantially impaired by multiple mental disorders and was unable to control a deep and violent rage.

The two forensic psychiatrists told the trial the frenzied knife attack was prompted by an intellectual disability and autism spectrum disorder that features a fixation on horror films.

One expert said an intermittent explosive disorder also had a significant role to play.

Camilleri had an obsession with horror films, owning eight copies of gory *Texas Chainsaw Massacre* and five of *Jeepers Creepers*, which she watched "over and over again", the court heard.

# REAL-LIFE CANNIBALS

surfaced to explain Eugene's abnormal behaviour.

Speculation that he was high on so-called "bath salts" was debunked by a medical examiner's report, which showed Eugene had only marijuana in his system.

"He apparently didn't have a good day at the beach," Poppo said.

### Infections

"And I guess he took it out, took it out on me or something. I don't know."

Poppo spent several weeks at Jackson Memorial Hospital being treated for his injuries.

Doctors removed one of his eyes and the other was severely damaged.

He had two puncture wounds in his chest, which doctors said may have been from the bullets fired from

the officer's gun.

Poppo also had a broken rib and infections on his face. He lost his eyebrows, nose, part of his forehead and right cheek.

A transcript of one of his three interviews with police shows he told detectives that he did not like how he was portrayed in the press and did not want to talk to the media any more.

Even in his interview with police, Poppo tired of discussing it after 15 minutes, saying he was exhausted and wanted to wrap it up.

Asked if he had anything he wanted to add, he thanked Miami police for showing up when he began to scream to save his life.

"If they didn't get there in a nick of time, I would've definitely been in worse shape," he said.

"Possibly I'd be DOA."

## WHAT'S ANNOYING HIM THIS WEEK?

LOVE him or loathe him, without Piers Morgan I give *Good Morning Britain* 12 months before what producers will describe as a "reboot".

Which means sacking all the other remaining presenters and starting all over again, again.

# So what ARE we allowed to protest at?

**LET'S have a protest.**

But first, let's decide whether it's a proper protest or a protest we should be protesting against.

Can we also first decide whether a vigil can be a protest and vice versa?

And exactly who is allowed to protest, especially during these socially constricted times?

For example, should middle-class trust fund "woke" types in tie-dye trousers be allowed to glue themselves to tube trains?

Should they also be allowed to smash office windows, deface war memorials like the Cenotaph, pour red paint across doorways and dig up college greens?

**Droves**

Should statue-haters be allowed to gather in non-socially-distanced droves to protest about a lump of granite in the image of someone who remains very dead, having helpfully died decades ago?

Apparently, if you happen to sit in a large office in London's New Scotland Yard cop shop the answer to all that is "yes".

But should you want to protest about being told you can't protest about something by Met Commander Cressida Dick, then that's a "no".

In the world of Dick, white people on Black Lives Matter marches screaming "f\*\*k the police" and other helpful niceties is all fine and dandy.

But should you be a bunch of women highlighting incidents of violence against

healthily plump "no".

And if you want to protest about COVID lockdown restrictions that's a no-no, too.

So basically what we're looking at here is drawing up a list of things that you can and can't protest about.

Personally I'd like to protest about the idea of any such list in the first place.

Especially as the last person they'd think of asking to write it is me.

I DON'T buy into conspiracies and happily attended a medical centre to receive my first COVID jab a couple of weeks ago.

I felt a bit groggy for a couple of days afterwards but other than that, as ship-shape as I'll ever be.

Now we read that Ireland and Holland have joined Italy in suspending their roll-out of the much-vaunted Oxford-AstraZeneca vaccine – you know, the one the EU had a hissy fit about when they forgot to order any.

I'm either lucky to be halfway to having maximum defence against the plague, or am now walking around with a blood-clotting timebomb inside me...

'Phoney' plastic surgeon botched man's nose job

A WOMAN who allegedly posed as a licensed plastic surgeon botched a man's nose job.

Alcalira Jimenez De Rodriguez, 56, was performing another procedure when cops nicked her mid-surgery.

Investigators began probing Jimenez De Rodriguez (*above*) after a former patient contacted them about his fluffed rhinoplasty.

Vincenzo Zurlo said he paid £2,000 for the surgery, which had to be repeated because his nose wasn't healing properly, according to a police report in Miami, Florida.

Even after the second procedure, the man said his nose was still deformed.

He asked Jimenez De Rodriguez for her medical license number and medical malpractice insurance information – but she refused to give it.

"She ruined my life," he said.

Jimenez De Rodriguez is charged with practicing medicine without a licence.

Teacher poured liquid nitrogen on boy's groin

A FORMER high school chemistry teacher poured liquid nitrogen on a student during a class demonstration, burning his groin and finger.

Garry Broderson, 66, was found guilty of reckless conduct and endangering the health of a child over the incident at Bartlett High School in suburban Chicago.

The male student, who has since fully recovered, volunteered to participate in the dangerous demonstration but believed the liquid nitrogen was only going to be poured over his chest.

Broderson then poured chemical on the student's chest before dumping a larger amount onto his groin.

Broderson has since resigned his post and now faces up to one year in jail.

# WHAT AN EVIL MOTHERFAKER

## Mum made bogus nude pics of daughter's cheerleader team rivals

ILLICIT VIDEOS:  
Spone tried to get  
kids kicked off team

**RiRi's top trumper!**

WHAT a bot she's got!  
Rihanna modelled some seriously sexy pieces from her Savage X Fenty line in photos shared online.  
Posing in a tropical location, the curvy singer, 33, looked incredible in a lime green lace lingerie set which showed off her booty to perfection.  
One devoted fan said: "If RiRi ever wants to sit on my face, she only needs to ask. Phwoar!"

A SICK pushy mum made illicit fake videos of her daughter's cheerleading rivals and sent them to their coaches in a bid to get the kids kicked off the team.

The false images – so expertly manipulated that they're known as "deepfakes" – were also sent to at least three girls on the Victory Vipers cheerleading team in Pennsylvania.

Raffaela Spone, 50, was charged with cyber harassment of a child and stands accused of creating the completely false snaps – which show the kids drinking, smoking and in the nude, authorities said.

There was no indication her teenage daughter knew what her mother was doing, say court documents.

### Drinking

Cops learned one of the girls had been receiving harassing text messages from an anonymous number, and that her coaches were sent photos of her naked, drinking and vaping.

Two more girls came forward with complaints about the fake photos, showing them in bikinis, which led police to investigate the anonymous number and content.

Investigators found the photos and videos

By SUZIE SHELDON  
[news@sundaysport.co.uk](http://news@sundaysport.co.uk)

were deepfakes – which appear to look authentic but have been digitally altered.

Officers traced the number back to telemarketers and followed data to an IP address coming from Spone's home in Chalfont, north of Philadelphia.

Victory Vipers said it cooperated with police during the investigation and that "all athletes involved are no longer a part of our program".

"Victory Vipers has always promoted a family environment and we are sorry for all individuals involved," the team said in a statement.

"We have very well-established policies and a very strict anti-bullying policy."

# THE WORLD FAMOUS AGONY Page

Dear Sam,

I'VE been going short on sex lately, as my missus is happy just to sit in front of the telly watching crap soaps.

As a result, I've been spending more and more time in the pub with my mates and recently I pulled a bird in my local – she's 21, and I'm 38.

We had a few drinks and then she invited me back to her place. She wasted little time in getting my cock out and I soon had my seven-inch down her throat.

Just as I was about to blast off, she told me to stick it up her arse. I couldn't believe my luck and I pounded her hard and fast until we both climaxed.

Since then, however, she's been ringing my mobile and home number and my missus is starting to suspect something's up.

What can I do to stop these calls?

AF, Newcastle

Sam says...

CHANGE your numbers!

Dear Sam,

I'M a 23-year-old car mechanic and the other day a gorgeous babe came into the garage where I work.

She's 22, with long, dark hair and massive tits and after a bit of flirting she gave me her number – telling me to drop her motor off at her flat later that night.

When I got there, she was already revved up and put her hands inside my overalls.

I was soon rock-hard and flipped her over to slip my shaft up her fanny. I went from zero to 60mph in pretty quick time and I soon squirted my man muck inside her.

But she wasn't finished. She massaged my gear stick back to hardness and took it down her throat until I shot my load again.

But the next day in work, my gaffer told me he'll service the next female punter. Help!

FT, Sussex

Sam says...

LOOKS like your sex drive has crashed!!

## Bondage games brought lot of pain and little gain

Dear Sam,

MY hubby and I decided to try some bondage games – but they all turned out to be painful disasters.

He insisted I play a dominating role, so he bought me a black lacy basque which I wore with fishnet stockings and high heels.

I'm tall and perched on these stilettos I was a bit unstable. Add in the wine we'd drunk and it was no surprise when I toppled over, knocking the wind out of him as he lay on the bed waiting for horny action.

But we ploughed on and I tied him to the bed. He was bollock naked but his todger looked far from being ready for action.

I set to and gave what I thought

were a few gentle whacks with my whip.

He was soon squealing in what I thought was ecstasy – but it turned out was agony.

By the time he'd managed to convince me of his plight, he was too sore to service me.

However, one thing did go right. I released his bonds and he tied me up instead and brought me to a series of shuddering orgasms, first with his fingers and then with his tongue.

We can laugh about it now, but should we should try any more bondage games?

HF, east Yorkshire

Sam says...

YES. But stick to what turns you on.

# 'Dogging is on my sexual bucket list!'

# # MY SEX FANTASY

**MY biggest turn on is the idea of going dogging.**

It's something I've never done but it's on my sexual bucket list!

I love the thought of being watched by strangers – I'm a total exhibitionist.

a total exhibitionist.  
It would be so hot to go to a known dogging spot - I hear they're typically car parks in parks - with a bloke I'm seeing and get really naughty together while a crowd gathers round our car.

### Aroused

Seeing them getting aroused by us and touching themselves would be a real thrill.

I would put on an X-rated porn star like performance. That would be wild!

I've seen in blue movies people dogging - winding down their windows so that the blokes standing round the car can reach in and caress the girl's boobs - I dream about that.

dream about that.  
Maybe I would get carried away and let them do a little more and have some hot full-on group action!

# # HOT 'N' HORNY

**S**EXY Sienna Brown reveals she has a BUCKET LIST of kinky places where she'd love to have a BONK!

The busty glamour babe, who boasts a 34EE rack, has ticked off many of them already – including in a library and even on a FERRIS WHEEL.

The Brighton babe gets a thrill from spontaneous, risky sex where she could get caught doing it.

## Naughty

Sienna said: "I've got down and dirty in some crazy places. Me and my ex once got naughty on a Ferris wheel on holiday in Spain!"

"Shagging in a library was one I'd always wanted to tick off."

"I genuinely had to go to look something up in the quiet reference area at the back."

"Then the bloke I was with at the time gave me a cheeky look and we got carried away."

"It was really hot – trying to stay quiet despite it feeling amazing and knowing someone could appear at any moment and catch us."

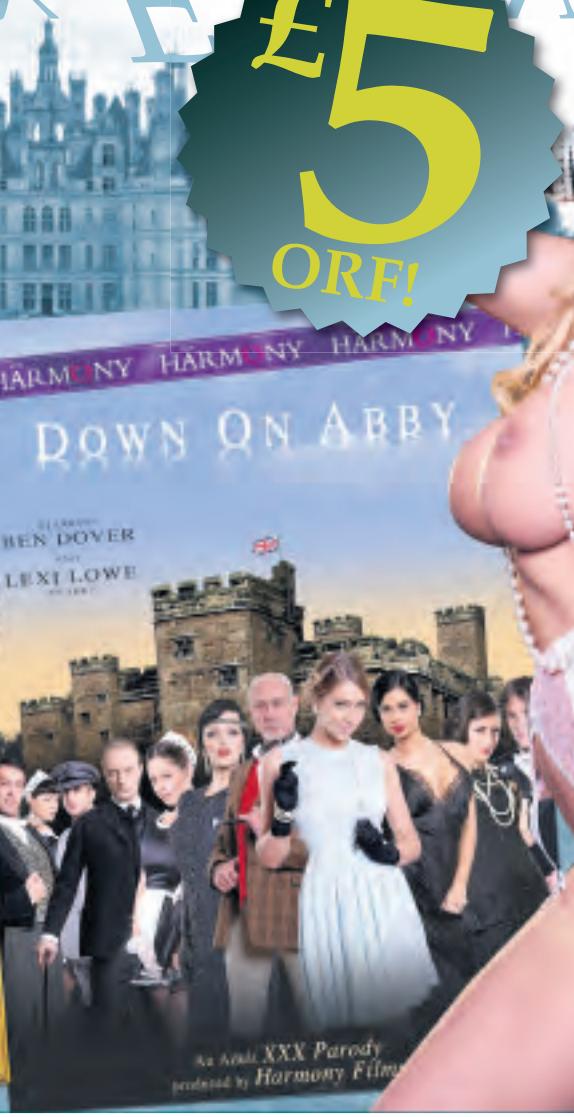

**EXCLUSIVE! The world's poshest porno is here at last!**

**SPECIAL OFFER: ANY 3 PRIVATE SHOPS DVDS FOR £25 (was £75)**

**IT'S finally time to say  
goodbye to the creepy  
Crawleys of Downton  
Abbey and hello to the  
horny hotties of buxom  
Bottomley Manor!**

For all you red-blooded  
fellas who love your porn  
but are bored to tears by  
dull *Downton Abbey* this is  
your lucky day.

Released last week, the  
UK's most highly  
anticipated adult movie is  
available exclusively  
through the *Sport's* adult  
partner *Private Shops* and,  
for a limited time they're  
offering readers another £5  
OFF the already low, low  
price.

*Down On Abby* is a big  
budget, full length adult  
masterpiece starring porn  
legend Ben Dover and a cast  
of the hottest adult stars  
around. It will transport you  
to Bottomley Manor, home  
to the Lord Grabhem (played  
by Ben Dover), his wife (and  
2014 AVN nominee)  
Jasmine Jae, and their two  
young promiscuous step-  
daughters, Abby and Fanny.

The Grabhems have  
invited the Stiffies to dinner  
and their staff, led by butler  
Smallie\*\*\* and footman  
Master Bates, hurriedly  
prepare to receive their  
honoured guests.

But during preparations  
some members of staff have  
their own ideas of how to  
make the night go with a  
bang! As dinner approaches  
it seems everyone's got more  
than fancy nosh on their  
minds. Mind you, there is  
plenty of noshing as well as  
lots of other filth that will  
even cause a crease in  
Carson's keks.

We see plenty of R18 DVDS  
at the *Sport* but this one is  
really something special and  
one you **MUST** not miss!

This future classic stars  
Ava Dalush as Missy, Cathy  
Heaven as Lucy, Emma  
Leigh as Betty, Jasmine Jae as  
Lady Wanda Grabhem,  
Jasmine James as Fanny  
Grabhem, Jess West as Lady  
Stiffie, Lexi Lowe as Abby  
Grabhem, Ben Dover as  
Lord Will Grabhem, Big Bad  
Dave as Smithers and  
Clarke Kent as Master  
Bates.

# SHOW ME THE HONEY!

**GAYNOR GOODMAN**

**HANDYMAN**  
Kelvin Summers has plenty of tools in his kit but there's only one tool he'd like to use on glamour legend Gaynor Goodman.

The 39-year-old does odd jobs for people around his home town of Birkenhead – but it's Highgate-born beauty Gaynor who really gets his gears going.

Kelvin said: "She's always been a hottie and every time she was in the paper I spend ages ogling her 32C bare boobs – she's got a real handful."

"I'd introduce her to my very own screwdriver and see if she fancies a play with that!"

**LILITH**

**BRIGHTON** resident Lilith is the seaside resort's top attraction, says newsagent Bill Simpson.

The 56-year-old, from Leyland, Lancashire, has never been to Brighton – but if he did, there's only one sight he'd want to see.

Bill is a huge fan of Lilith's 36D pair and said: "I've heard Brighton's got a pier and a pavilion with some fancy stuff on it, but that's nowt compared to Lilith."

"I'll have a stiff pier myself once I've clapped eyes on her narks – they really are something else."

BAD FORM:  
Shaqiri

## Shaq on the attack to fix sorry season

By JOHN ANTHONY

XHERDAN Shaqiri admits Liverpool's players know they have been poor this season — but they are determined to turn things around.

The Swiss international says the Anfield squad can feel the eyes of the world burning into them thanks to their disastrous title defence.

They have gone six home games without a win which is the worst run in the club's history.

Shaqiri was relegated with Stoke but he says life at Liverpool is a different ball game. He added: "Here, everything is bigger. People from outside speak a lot more."

"The club is so big that there are always people talking, left and right. This is normal."

"It is a big club and you have to deal with that because we are also a great team. Every team can have its ups and downs."

"We are human beings. But we try to stay calm."

Shaqiri has the added pressure of not being able to see his family as they live abroad.

He added: "I have not seen my family for five or six months now."

"It has not been simple for me also because I am very close to my family."

"I cannot wait to see them again so hopefully everything gets better soon."

A few pundits have mentioned that Liverpool are missing their fans more than most teams.

While other supporters will say

GAFFER: Jurgen Klopp

that's cobblers, Shaqiri thinks there's some truth in that.

He also thinks injuries to the likes of Virgil Van Dijk have been costly.

Shaqiri added: "Everybody knows how our fans are when they push us."

"Everybody knows how many games we have managed to come back in if we concede a goal. I think there are many, many games where you can see that, many examples. Of course, we miss them a lot."

"For the smaller teams, it is easier to come to Anfield with no fans. There is no pressure. You can see that in many ways and in many games. The smaller teams have more of a chance."

We need to get back on track and get the confidence back to win games. But we are a big team and I am pretty sure that we are going to get back to winning."

FLASHBACK: United lift the 2017 Europa League trophy

# REDS MUST GET UP FOR THE CUP

## United need a trophy says legend Neville

### MANCHESTER United MUST win a trophy this season.

That's the verdict of Reds legend Gary Neville who believes his old club must bring home either the FA Cup or Europa League.

That silverware would underline the good progress being made by Ole Gunnar Solskjaer and silence some of his critics.

United have lost their past four semi-finals since the Norwegian took over.

They are approaching four years without a trophy and that's a run that Neville is desperate to end.

He said: "The FA Cup has become critical to this football club this season."

"The League Cup and FA Cup has been the starting point for Manchester United

teams over the last 15 to 20 years.

"If Ole Gunnar Solskjaer is going to be successful at this club, he not only needs to finish second in the Premier League, but he has to win a trophy."

"That would be seen as real progress. Then you're attracting players next season to try and catch Manchester City."

Neville thinks United's derby win and following up with a gutsy success against West Ham shows how much progress Solskjaer has made on the pitch.

He believes the Norwegian will be pleased with how the season is going.

Neville added: "Beating Manchester City the way they did, and winning on

Sunday, if you'd have said to Solskjaer at the start of the week you'll beat Manchester City, beat West Ham and draw 1-1 with AC Milan, he'd have snapped your hand off."

"Because going into that Manchester derby, they were under real pressure."

"If they'd lost to City, there's a real pressure building on this West Ham game. I think they are now a lot more comfortable going into the final weeks. This was a big, big week."

Neville thinks United have cemented their place in the top four to earn a spot in the Champions League next term.

He can't see Liverpool breaking back into the picture and wouldn't be surprised if the current top four finish exactly where they are at the end of the campaign. Neville

said: "Leicester are the one team you'd be most nervous about, because they did blow up last season. But I think there's just enough this year."

"I don't see West Ham catching Leicester, and the teams below them are so inconsistent and seem to be all over the place."

"I'm not sure which one of them is going to put a run together."

They're capable of it, some of them, but I would think this Leicester team would hang on, and would cement the fact Brendan Rodgers has done a brilliant job two years on the bounce."

"Last year, they were so unlucky to miss out on the last day to Manchester United, whereas this year I think they'll make top four, with Chelsea third and Leicester fourth."

# Auba's taking Art after getting dropped

**BACK IN FROM THE COLD:**  
Aubameyang has had a slap on the wrist from Arteta

**MIKEL** Arteta says there's no problem with Pierre-Emerick Aubameyang.

The Arsenal skipper was left on the bench for the north London derby after he turned up late for a pre-match meeting.

Despite it being one of the Gunners' biggest games of the season, the Gabon striker was an unused substitute.

Arteta insists it was a one off and Aubameyang is in line for a recall against Olympiakos in the Europa League on Thursday night.

The Arsenal manager said: "I draw the line, it's done."

"We move to the next thing. He is available for selection against Olympiakos and let's enjoy the victory."

Arteta says he was angry with Aubameyang for setting a bad example to the rest of the players as skipper.

## Happiness

And his decision paid off as Arsenal came from behind to beat their neighbours 2-1.

Arteta added: "It's the foundations and the platform that we can build something medium and long term that is sustainable."

"That can bring us joy and happiness. Without that, I don't believe it would happen. That's why I keep talking about it and acting on it."

"I made what I thought was the right decision with Aubameyang. It's been dealt with, so now let's move on."

Jose Mourinho has come in

## STRIKER BACK IN FOLD SAYS BOSS

for plenty of stick for his negative tactics in the derby.

Spurs went a goal ahead but never really tried to attack again until the Gunners went in front.

It was too late although they did almost equalise when Harry Kane hit the post.

Arteta pointed to Mourinho constantly parking the bus whenever Tottenham take the lead in a match.

Instead of going for a sec-

ond goal, they always seem to favour holding on for a 1-0 win instead.

Former Tottenham chief Harry Redknapp thinks Mourinho picked a team capable of putting Arsenal under pressure.

He believes it's the players who should be copping stick for sitting back.

Arry said: "No one can criticise Jose Mourinho for not picking an attacking team, he picked four forwards! Moura, Bale, Son

and Kane, it was a very attacking looking line-up with two attacking full backs, too."

"They just never really got hold of the ball."

Arsenal dominated midfield and had more players who can get on the ball and play and keep the ball and they deserved the win."

Gareth Bale started the game but didn't manage to last the 90 minutes.

And Mourinho is warning Spurs fans that the Welshman may not be at White Hart Lane next season.

## Results

He is on loan from Real Madrid and there is no sign of that move for the 31-year-old being made permanent in the summer.

Mourinho said: "We are all happy with Gareth and I believe that everyone like you that loves football even if not Tottenham is happy because he is a fantastic player."

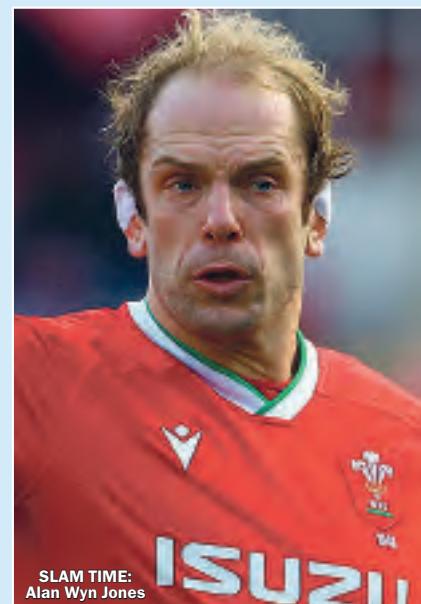

"Everybody was missing for a couple of years because in the last couple of years it was not good for him at Real."

"It's not about us giving him a contract."

"He is a Real Madrid player. He has a contract with Real Madrid. He is in Real Madrid's hands."

## WE CAN WYN IT IN PARIS SAYS AL

SIX NATIONS RUGBY By ANDY MILLOM

ALAN Wyn Jones says his Welsh dragons can seal a Six Nations Grand Slam in Paris on Saturday.

Wales have managed four perfect seasons since 2005 but they have all been secured with the final game at the Principality Stadium.

Now they have to take on France in their backyard to see if they can pull off another clean sweep.

And veteran Jones can't wait to get stuck into Les Bleus. The 35-year-old said: "It is an away game decider and we are not going to shy away from that."

"We know the significance away games have in this competition. It is one we have not experienced before in terms of sealing the Grand Slam, and it is going to be another week of weeks leading up to the game on Saturday."

No player has ever won four Six Nations Grand Slams but that's the huge achievement in Jones' grasp.

And he thinks the lack of fans in the Stade De France is an advantage for the visitors.

That was the situation when the sides met in the Autumn Tests.

Jones added: "In many ways, it is a similar situation with no fans away in France, and that was a clinical game by them."

"But that was before the start of a competition in a different situation."

"I don't want to be over the top, but the world had changed and we were going into a competition that we had not experienced before."

"We are a bit further down the line now with no crowds, where we are with the game and all that is going on to make it happen."

"I think we have dealt with that, but we still

**SCOT BOSS:** Townsend

have to go up a few gears to go there and perform."

Only Wales can clinch a Grand Slam but the Six Nations title is still up for grabs.

They need a win or draw in Paris to get the job done.

But if France beat them they could still nick the Six Nations if they win their rearranged match with Scotland.

They would have to beat Gregor Townsend's men and also bag a bonus point to get over the line.

It could go down to points difference and Wales start 24 points better off compared to France which could prove decisive.

# I HAV TO HIT TARGET

Chelsea ace desperate for more goals

KAI HAVERTZ says it's his fault that Chelsea don't score more goals.

The hitman has been hit and miss since signing for the Blues from Bayer Leverkusen last summer.

He has scored just ONE goal in 21 Premier League appearances.

The £71m buy admits he needs to start supplying a

By JOHN ANTHONY

much better return for new gaffer Thomas Tuchel.

That was evident at Leeds where the top-four chasing Bridge Boys had to settle for a goalless draw despite dominating the game.

Havertz blames himself for not leaving Elland Road with all three points. He

said: "We don't score enough goals."

"We get good chances, but we are not clinical enough in front of the goal."

"We had good chances at

Leeds. "I had two chances myself. It's not easy to score in this League, but we have to keep on going to keep on creating chances and, hopefully, in the next few

games some more goals will come for us."

And Havertz says there is nobody but himself who can help him find his shooting boots.

He added: "I have to improve. It has not been easy for me, but there are no excuses. I just have to keep on working and, hopefully, there will be a big turnaround soon."
